

K-LOVE radio is a VERY important part of my life and several other people I know. Of all the Christian stations I have heard, K-LOVE has the best format. If FM were replaced with LPFM and I lost K-LOVE, my days would be less inspiring. No matter how bad the day is going or how obnoxious people behave, I can find comfort and peace by listening to this station. Please, don't cause K-LOVE to loose their ability to reach out to people who need them. I am a contributor to the station and would hate not to be able to listen anymore.
